Dear Student Body,

This has been a year full of memories for everyone, a year when we have made new friends, gained new interests, and accomplished new goals. This part of our lives has centered around our high school. The influence our high school has had on us will remain with us always. One aspect of Pecos High that will always awaken memories within us is our school song. It represents the feelings all 1150 of us have shared at Pecos High. It is hoped that this yearbook captures the most memorable moments in "Our Pecos High." Phrases of the school song appear throughout this yearbook in an attempt to achieve this aim. If this yearbook brings to light the brightest times in Pecos High, we have achieved our aim.

Sincerely,
The Eagle Staff

# School Board

Responsible, caring citizens comprise the School Board of Education for Pecos Schools. These leaders of the Pecos Community are constantly seeking new ways to enrich the lives of students attending schools in the Pecos-Barstow-Toyah School District. The School Board is responsible for hiring teachers, ordering new material, and overseeing extracurricular activities. The people of Pecos should be thankful to the School Board for their efforts in obtaining the new sports facilities, band halls, kindergarten, and other nice facilities. Pecos High School can be proud of the dedicated efforts of those who serve Pecos as members of the School Board.

To win any race, you've got to go faster than this, Victor, Cesar, and Jimmy!

The fastest goes farthest: Fernando Orona runs, Rene Rios jogs, David Watson walks, and David Thomas just stands there!

"Why didn't I go out for the 50-yar dash?" thinks Matt Ferguson.

"Ready or not, here I come!" says David Watson as he catches up with Rene Rios.

In the summer of 1976, the Pecos Eagle Baseball Team returned to the State Play-offs for the third time in four years. They have been to the Regional Play-offs for the last four consecutive years. It is, indeed, our sincere hope that they will return to State this year and come home as State Champions.

# Girls' Track Begins Second Year

The 1976 Pecos High School added a new sport for girls--track. The girls participated in several track meets, besides the district meet. This year the district meet was held in Ft. Stockton on April 16. Our girls made a good showing.
